Nagaland Empowerment of People through Economic Development (NEPED) was formed by the Govt. of Nagaland in 1994 as an autonomous Government registered society vide Regd.NO.H/RS-4238 Dated 19-04-2005 and Regd.NO.HOME/SRC-6751 Dated 07-07-2014. It was established to bridge developmental gaps in various sectors for economic development and empowerment with a team of multi-disciplinary government employees known as Project Operations Unit (POU) with the aim to carry out studies across Nagaland and identify major issues and to encourage and spread new ideas for sustainable development of the state. The overall aim was envisaged at building a strong resilience towards the emerging Climate Change issues.

About Us:

Nagaland Empowerment of People through Economic Development (NEPED) is a Government of Nagaland programme project set up in 1995. Initially it implemented the ICEF project, the first ever foreign funded project in Nagaland.

The Phase—I project of NEPED was called **Nagaland Environment Protection and Economic Development** through People's Action, but from the **2nd Phase** onward NEPED came to be known as Nagaland Empowerment of People through Economic Development (NEPED).

NEPED is made up of a team of multi-disciplinary government officers drawn from various government departments, who are called the Project Operations Unit (POU) Members, formed by the Government of Nagaland, with full autonomy. Members are to carry out studies and identify major issues which need to be addressed from time to time, and to generate and adapt technologies that promote sustainable use of natural resources and improve livelihood options, for poverty elevation and sustainable development. It is headed by a Team Leader, who mandatorily, is a senior Secretary level bureaucrat to the Government of Nagaland and above.

NEPED also coordinate with all developmental efforts in the state by acting as a hub/link and promote conservation of watersheds, settled agriculture and re-forestation, document traditional knowledge on arts, culture and agricultural practices, biodiversity and sustainable Natural Resource Management. In the long term process, NEPED promote new innovations and technologies for agricultural productivity and profitability; strengthen market access for Naga crops both within and outside the state. Create a learning house on agricultural information for Nagaland, including jhum, bio-diversity and bio-piracy.

AIMS & OBJECTIVES:

1. To enhance financial incomes through livelihood activities
2. To create opportunities for self-employment for sustainable development
3. To enhance capacities of Local Entrepreneurs
4. To establish viable market linkages
5. To encourage thrift saving amongst Farmers/SHG's
6. To change people's mindset from subsidy dependent to self-dependent Investment
7. The above activities so undertaken leads to sustained community biodiversity conservation efforts in Nagaland.

Organisational Structure:

Team Members:

A) Team Leaders:

1. Padmashree A M Gokhale (IAS)
2. Shri. R Kevichusa (IAS) - 1995-2000
3. Shri. Khekiye K Sema (IAS) - 2000-2003
4. Shri. Alemtemshi Jamir (IAS) - 2003-2006
5. Shri Temjen Toy (IAS) - 2007-2011
6. Shri Raj K. Verma (NCS) – 2007 - 2012
7. Shri. H. K. Khulu (IAS) - 2011 - 2012
8. Shri. Amardeep S. Bhatia (IAS) - 2012 – 2013
9. Late Menukhol John Principal Secretary, Govt. of Nagaland - 2013 – 2018
10. Shri. K. Libanthung Lotha (IAS) - 2018 – 2025
11. Shri. Kovi Meyase (NCS) - 2025 – Present

1.

2.

3.

4.

B) Present Team Members:

- 1. Dr. Kezevituo Metha, POU Member**
- 2. Dr. Savio Krocha, POU Member**
- 3. Shri. Asa Tep, POU Member**
- 4. Er. Renbenthung Humtsoe, POU Member**
- 5. Shri. Atheo Ezung, POU Member**
- 6. Er. Moamanen Imchen, POU Member**

Projects Implemented under NEPED:

Projects	Project period	Funding agency	Objective
NEPED I	1995-2000	Indo-Canada Environment Facility (ICEF) under Canadian International Development Agency (CIDA)	Planting trees along with <i>jhum</i> (slash and burn/ Shifting cultivation) practiced
NEPED II	2001-2006	Indo-Canada Environment Facility (ICEF) under Canadian International Development Agency (CIDA)	Reinforced Jhum through cash crop plantation (Micro Finance)
NEPED III- Watershed Development Project in Shifting Cultivation Areas (WDPSCA)	2006-2012	Ministry of Agriculture, GoI	Consolidating the achievements of NEPED-I and NEPED-II through watershed development
NEPED-SCEN program in collaboration with Salim Ali Center for Ornithology and Natural History (SACON)	2007-2010	Sir Dorabji Ratan Tata Trust (SDTT)	Strengthening of Community Conservation Areas (CCAs), developing biodiversity registers, resource maps and management plans, and develop the process by which biodiversity registers are legally protected, Documentation of indigenous Ecological Knowledge
Enhancing livelihood through community based piggery	2012-2016	Navajbhai Ratan Tata Trust (NRTT)	Pig Breeders Concept

Projects	Project period	Funding agency	Objective
Thematic Exhibition of Indian Handicraft in Kohima and Dimapur	2021-22	Ministry of Textiles, GoI	To provide marketing platform to showcase and test market the products developed by the artisans in cluster
